Marina Round Up: Sharing Best Management Practices

About the Workshop:

The Florida Department of Environmental Protection invites marinas, boat yards, boat clubs and yacht clubs, marine retail industry, Clean Marina Program members and other interested parties to attend an open discussion on Florida's Clean Marina program - a voluntary, partnership-driven initiative that encourages marina facilities to incorporate environmental Best Management Practices, creating partnerships with local communities and businesses to protect natural resources and promote economic growth.

Agenda:

- **Best Management Practices: Stormwater**
Rich Miller, Matt Czahor, DEP South District
- **U.S. Coast Guard Pollution Response**
MST 3 Kevin Walsh, U.S. Coast Guard
MST 3 Zachary Shain, U.S. Coast Guard
- **Hazardous Waste, Oil, Universal Waste, Maintenance Shop Identification & Proper Disposal**
Karen Bayly, DEP South District
- **Clean Marina Program Overview**
Brenda Leonard, DEP Clean Marina Program Administrator
- **Open Discussion**

The DEP Meet-Ups are FREE and held the first Wednesday of each month. Time and location are the same.
