

Bonita Springs  
Quarterly  
Autumn 2018

# City News

Lee County schools started their first day of class Friday, August 10th and 1400 students walked the halls of the brand new Bonita Springs High School for the first time. Students are fortunate to be attending an institution with a vision to be a world class school system with a mission to ensure that each student achieves his/her highest personal potential. The new high school offers aerospace, medical and HVAC certification and licensing programs as well as an extensive sports program.

# GET INFORMED LEE COUNTY

**Did you know that flood zones are not the same as Evacuation Zones? Flood zones are determined by FEMA and influence insurance matters. Evacuation zones assess risk based upon storm surge and wind and determine how evacuations will proceed.**

## FEMA Flood Zone Designations

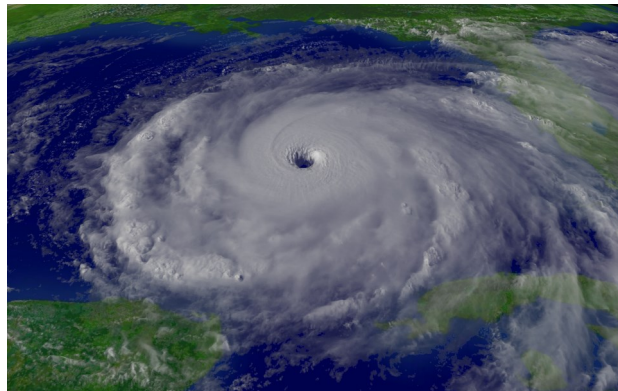

Flood zones are areas mapped by FEMA (Federal Emergency Management Association) for use in the National Flood Insurance Program. Each flood zone designation, represented by a letter or letters, tells homeowners their risk for flooding on their property. Homes with a mortgage located in high risk areas must have flood insurance.

You can determine your flood zone by clicking on the **Find My Flood Zone** link below:

## Find My Flood Zone

or type in <https://leegis.maps.arcgis.com/apps/webappviewer/index.html?id=c420767df9b3495b8ecf782a5c3a28ef>

You will use the search icon to type in your address. Labels are provided on the map to describe which flood zone each property lies within. Properties shown in red are VE zones, while properties in blue are AE zones. Please note, if your property lies within 2 or more flood zones, the more restrictive applies. VE is more restrictive than AE, and a higher number is more restrictive than a lower number.

Evacuation zones are based on storm surge zones determined by the National Hurricane Center. Lee County and Bonita Springs use the letters A–E to identify evacuation zones based on the areas that are likely to be affected by storm surge. A home may be located in a non-evacuation zone but still be located in a flood zone because of a nearby water body.

You can determine your evacuation zone by clicking on the **Find My Evacuation Zone** link below:

## Find My Evacuation Zone

or type in <http://leegis.maps.arcgis.com/apps/webappviewer/index.html?id=347e85a76bcd4e92ae45d387fd088938>

Click on the magnifying glass to enter your address. After that you can right click and open the hyper link on your Evacuation Zone letter (illustrated below) to download more information on what this means for you.

## **BONITA SPRINGS STORM SEASON UPDATE**

Lee County Emergency Management handles emergency messaging for the City Bonita Springs. We encourage all residents to visit [www.leeec.com](http://www.leeec.com) for more information about how to stay informed during emergencies.

During emergencies or larger disasters it is important that residents and visitors stay informed. Lee County Emergency Management has multiple ways for you to get the most updated disaster-related information. Check out the links below and make sure you are subscribe today and are prepared when disaster strikes.

Visit: <http://www.leegov.com/publicsafety/emergencymanagement/alerts> to sign up for emergency messaging notification today! Lee County Emergency Messaging notifications systems include CodeRED - a FREE Lee County service by which residents and businesses are notified via telephone, text, and/or email regarding emergencies or critical protective actions required to safeguard life and property. Also, LeeAlert is FREE app available for iPhones and Androids.

### **Integrated Public Alert Warning System**

Lee County Public Safety is a FEMA Integrated Public Alert Warning System (IPAWS) Alerting Authority. We can utilize the IPAWS to alert and warn Lee County residents and visitors about serious emergencies through various means, including the Emergency Alert System (EAS), Wireless Emergency Alerts (WEA), and the National Oceanic and Atmospheric Administration (NOAA) Weather Radio. See FEMA's IPAWS website for more information. Visit: [www.fema.gov/integrated-public-alert-warning-system](http://www.fema.gov/integrated-public-alert-warning-system)

### **City of Bonita Springs**

The City will share the Lee County Emergency Management messaging and coordinate with Lee County Sheriff's Office and Bonita Spring Fire Control and Rescue District to share information. Residents should register with Lee County regarding emergency messaging, but can also register to receive the city messaging. Bonita Springs uses a variety of tools to communicate emergency messaging, examples include: social media (facebook, twitter and nextdoor) to push out messaging.

The city uses the e-blast system, the city website and Bonita Television Channel 98, media interviews, fliers, city information signs and press releases to communicate during a storm. Visit the city of Bonita Springs website at: <http://www.cityofbonitasprings.org/for-residents/email-subscribe/> to sign up for city documents and/or for the city e-blast system. The City e-blast system will be used to convey emergency messaging prepared by Lee County Emergency Management and area specific information. The system currently has approximately 37,000 subscribers.

### **Next Door Information**

Did you know that 10,392 residents are signed up to receive information on Next Door? We encourage you to sign up today to receive more information. You can sign up by your neighborhood. In total, 67 neighborhoods in Bonita Springs are participating! Here are just a few of our neighborhoods that have signed up: Village Walk has 2,193 residents signed up, Palmira has 610 residents signed up, Bonita Bay has 329, Worthington has 313, Bonita Lakes has 291, Fairway Dunes has 97, Shangri-La Rd. area has 46. Join them today! <https://nextdoor.com/agency-detail/f/bonita-springs/city-of-bonita-springs/?i=ejaytegibvpgfsedpqdh>

**PATRIOT DAY SERVICE  
SEPTEMBER 11TH**

*A Day of Remembrance*

Tuesday, September 11, 2018  
at 6:00 p.m. at Liles Hotel Plaza.  
27300 Old US 41

**Patriot Day Service**

The Bonita Springs' Patriot Day Service will be held at 6:00 p.m. on Tuesday, Sept. 11th at the Liles Hotel Plaza, located at 27300 Old 41 Road in Bonita Springs. The service will pay tribute to the valiant firefighters, police officers, emergency personnel and citizens involved in the September 11, 2001 attacks. The Bonita Springs Fire Control and Rescue District, Lee County Sheriff's Office, Veteran's Advisory Committee and the City of Bonita Springs will unite to host the event. For more information about the Patriot Day Service, call the City of Bonita Springs at 239-949-6262 or visit [www.cityofbonitasprings.org](http://www.cityofbonitasprings.org).

Bonita Springs  
**Coastal Cleanup**  
Saturday October 13th  
9:00am to 12:00pm

**Volunteers needed!**

At Lovers Key Event Field  
8700 Estero Boulevard  
(Across the street from Lovers Key State Park)  
For information call (239) 949-6262

**\*\* Pre-register online at [www.klcb.org/registration.html](http://www.klcb.org/registration.html)**

**2018 Coastal Cleanup Event**

On Saturday, October 13, 2018, volunteers will be gathering at the Lover's Key Event field at 8:00 a.m. to participate in the annual Coastal Clean-Up along with the City of Bonita Springs and Keep Lee County Beautiful. Refreshments will be available before and after the clean-up. Trash bags, maps and gloves will be distributed. Coastal Clean-Up is ideal for students in need of community service hours for school related opportunities or anyone else looking to help clean up and beautify Bonita Springs. For more information about the clean-up call 239-949-6262 and ask for Kendra Gilreath.

We are seeking volunteers to serve on various advisory boards and committees that have been established to assist the City Council on number of civic issues.

**GET INVOLVED**

**VOLUNTEER TODAY!**  
*ARE YOU WILLING TO SERVE?*

If you are interested in serving on a committee, please submit your application to the City Clerk. For more information, please call (239)949-6262

**Visit the link below for more information on flood protection:**

**Photo below right:** Residents and guests enjoy the July 4th Star Spangled Bonita Event.

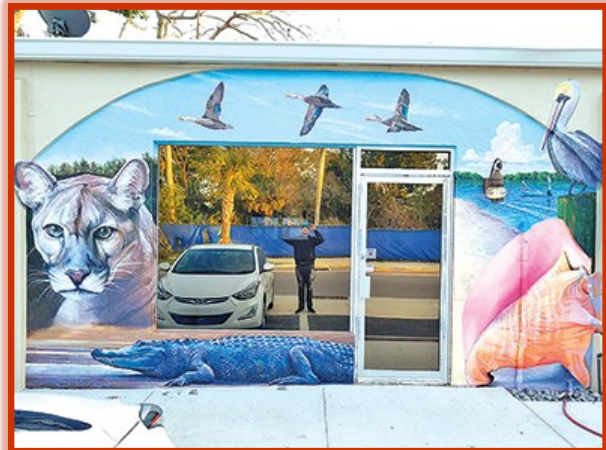

The City of Bonita Springs has unveiled it's latest public art piece, a mural commissioned by local Marco Island artist Jarrett "J.J." Stinchcomb, seen to the right, as a six part mural.

A Calusa fishing scene set on the Imperial River.

Below the Map of Survey from the 1850s to the 1900s, created by the U.S. Corps of Engineers

The scene above represents Bonita Springs' growing farming, agriculture, and dairy industries during the 1900s through the 1920s.

The final panel depicts panthers, alligators, and local birds, which are meant to represent the Everglades Wonder Gardens, a botanical garden established in 1936.

## Did You Know.....

**G**reat news for the residents of Bonita Springs! In early June, the Lee County Local Mitigation Strategy Committee voted to approve the Logan Boulevard Regional Floodway/Drainage Project and the Pine Lake Preserve-Water Retention / Flood Improvement Projects for Tier One funding. This means the Lee County Local Mitigation Strategy determined these projects important enough to be funded within this current funding cycle. The combined estimated cost for these two projects is \$3.3M. In late June, City Council authorized match funding of \$825K necessary to secure the \$2.475M in FEMA grant funding.

Officials from the South Florida Water Management District (SFWMD), the City of Bonita Springs, Lee County and Collier County recently met in Bonita Springs and agreed to have a future public workshop to further discuss a proposal that could help shorten the duration of flooding in Bonita Springs. Mayor Simmons stated "The meeting was a great first step at working together on this regional issue. Bonita Springs is committed to working with our partners and I look forward to the future joint public workshop to further discuss options to assist with the flooding in Bonita Springs as well as to continue discussing broader watershed issues."

The Local Mitigation Committee found the Spring Creek/Bonita Springs Golf Course Flood Improvement project just as important; however, resources were not available this cycle. Fortunately, this project is the first Tier Two ranked project and will be funded next cycle.

A contract is signed with EarthBalance to clean Leitner Creek and work has begun. The total cost of this project is \$145,994.00; 75% of this is being funded by city sourced grants and 25% is being funded by the city.

**Revised Flood Hazard Reduction Ordinance, Second Reading & Public Hearing – August 1<sup>st</sup>, 2018** City council revisited last meeting's Flood Hazard reduction ordinance (18-08-0231) with a strategic objective to improve storm water management. The new ordinance was created after the Florida Division of Emergency Management informed the City of Bonita Springs about the need to revise its current ordinance, Chapter 24, in order to maintain consistency with the Florida Building Code. Changes made, as requested by the State, include compliance with the model flood ordinance code, changing will to shall, revising some numbering, and most importantly, adding a Board of Adjustment and Appeals. Points for flood insurance credit ratings will be maximized because of the revised ordinance. City council motioned to adopt this ordinance and it was carried unanimously.

**Non-conversion Agreement for CH 24 Flood Hazard Reduction ordinance – August 1<sup>st</sup>, 2018** A motion for the inclusion of a Non-conversion Agreement in Chapter 24 of the Flood Hazard Ordinance and Chapter 10 Buildings and Building Regulations was carried for approval by City Council. Thanks to the City's commitment and participation in the National Flood Insurance Program and Community Rating Systems, residents of Bonita Springs save money on flood insurance premiums, federally backed loans, and eligibility for Federal disaster relief assistance. The new agreement will help maximize points for new or modified properties, located in flood zones, in Community Rating Systems programs that provide discounts to flood insurance policies.

Three different levels of credit points, pending the type of agreement selected, will be provided. Ninety points if the community will inspect the enclosed area at least once a year, 60 points if the community is granted the right to inspect enclosed areas at any reasonable time and lastly, 30 points for agreements not referencing inspections. This motion was approved and adopted along with the Flood Hazard Reduction Ordinance (18-08-0231).

**Lee County Fixed Route Transit Service within Bonita Springs – August 1<sup>st</sup>, 2018** An inter-local Agreement for Transit Services within Bonita Springs was presented to City Council for review. The agreement will provide for a level of service in the upcoming fiscal year beginning Oct. 1, 2018 through Sept. 30, 2019. The City will be billed \$133,502. Routes will include the East/West 150 and North/South 600 as well as door-to-door ADA Paratransit service within 3/4<sup>th</sup> of a mile of the Bonita Springs fixed route bus service. Paratransit service will only be available at a countywide range as Lee Tran provides it. Lee Tran website for further info: <http://www.leegov.com/leetran>

**Spring Creek Dredging Project Solicitation – August 1<sup>st</sup>, 2018** A resolution to review and approve bid results for the Spring Creek Dredging project was presented to City Council by Arleen Hunter, City Manager, and Matt Feeney, Public Works Director. City Staff received two bids for this project, one from Earth Tech Enterprises for \$710,164.00 total, the other from ATL Diversified Industries totaling \$640,300.00. Both bids are above the project budgeted amount, with the lowest bid being \$325,000 over. This increase in price is consistent with what has been observed from project bids after Hurricane Irma. Project Engineers suggested re-bidding the project and/or affording a much larger window of time to achieve a reduction in price. Due to the intricacy of permitting, the conditions of the creek, and public interest in this project, staff suggested Council to consider supplementing the funding necessary to complete the project by fall 2018. The motion to approve carried unanimously and authorization was given to Mayor Peter Simmons to sign the resolution, awarding the Spring Creek Dredging Project to the lowest responsive and responsible bidder, ATL Diversified Industries, for \$640,300.00. Due to the Increase in price, City Council will need to amend the FY 2018/19 Budget.

**Ordinance of Amendment to the Bonita Springs Land Development code 4 – August 1<sup>st</sup>, 2018** The first reading and public hearing of an ordinance to create neighborhood meetings and rewrite Chapters 3 and 4 of the Land Development Code was held this past council meeting. On April 30, 2018, city council held a workshop with the City of Bonita Springs Board for Land Use Hearings and Adjustments and the Zoning Board of Appeals to discuss quick fixes to the Land Development Code. This ordinance will require developers to conduct meetings with residents affected by contemplated projects. After making changes to the ordinance to expand the area of inclusion within a project to 1,000 ft. and to give 21 days' notification, city council gave permission to advertise the ordinance. The Local Planning Agency will review the ordinance for consistency with the comprehensive plan on August 9, 2018 and comments will be provided at the second hearing scheduled for Wednesday, September 5, 2018. The purpose of this ordinance is to increase the outreach and accessibility to residents of Bonita Springs.

**Bonita Springs Afterschool/Summer Camp Programs 2018/2019 – August 1<sup>st</sup>, 2018** A motion to authorize city staff to sign an agreement with the Sky Family YMCA for the Bonita Springs Recreation Center Afterschool & Summer Camp programs for 2018/19 was reviewed by council. Sky Family YMCA previously garnered a partnership for the 2017/18 school year afterschool programs with the City of Bonita Springs. Due to the great success of the previous year, Sky Family YMCA would like to continue its partnership with the City for the upcoming 2018/19 school year and 2019 summer camp too. Upon staff recommendation, City Council approved the motion and agreement with Sky Family YMCA.
