

Flood Resources

The 211 Help Line is up and running for people who have questions or need information related to the recent rainfall and standing-water event. To access the Help Line, dial 211 or 239-433-3900. United Way 211 staff will assist by providing information from the Lee County Emergency Operations Center and also will connect people to resources that may help. The 211 Help Line is operational 24 hours a day, seven days a week.

Message from Lee County Solid Waste:

In light of the recent standing water in areas of the County, franchise haulers will continue with their normally scheduled routes and will attempt all collections where it is safe to do so. In situations where this is not feasible, the franchise hauler will make attempts later in the collection day or that week to collect garbage from the curb.

If you have flood-related debris, please set this at the curb in compliance with current curbside rules, see www.leegov.com/solidwaste/residential/curbside for additional set out information. In general, materials must be containerized or bagged and weigh less than 50 pounds. Items like carpeting should be cut into manageable sized pieces weighing less than 50 pounds. For additional information, call Lee County Solid Waste at (239) 533-8000.

City Staff went door-to-door in low lying areas to make sure residents had resource information.

Mayor Simmons met with Governor Scott, Lee County Commissioner Brian Hamman, Lee County Sheriff's Office Undersheriff Carmine Marceno and Bonita Springs Fire Control and Rescue District Chief Joe Daigle discuss flooding this morning.

Flood Assistance

Mayor Simmons, Lee County Sheriff's Office, Red Cross and the Bonita Assistance Office worked all day assisting residents.

Acting Neighborhood Services Department Head and Liaison to the Emergency Operations Center Chris Campbell talking to residents in flood area.

Public Works Director Matt Feeney and City Manager Carl Schwing assessed the flooded areas.

Public Works Department setting out road closure signage.

Acting Neighborhood Services Supervisor Albert Sanchez hands out informational flyers to residents.

HURRICANE SEASON 2017

A graphic for Hurricane Season 2017. The background is a blue-tinted image of a tropical scene with palm trees and a building. In the foreground, a large red flag with two black squares is waving. The text 'HURRICANE SEASON' is in white, bold, sans-serif font, and '2017' is in a larger, white, bold, sans-serif font.

Bonita Springs is a tropical paradise, but along with Florida's year-round sunshine comes the risk of hurricanes. If you haven't created your family emergency plan for hurricanes, now is the time to get started.

WOMEN

ON

WEIGHTS

TUESDAY 10:00-11:00

FRIDAY 11:00-12:00

4-Weeks \$50.00 45min. Workout

Sept 15th - Oct 10th

Week of 10/2 class will be on Tuesday & Thursday

Join this small group circuit training to improve your strength, balance, and mobility. This class is designed for women of all fitness levels and ages. This class is located in the fitness center and uses both machines and free weights, it is limited on spaces so please pre-register at the front desk.

Art in Public Places

As part of the Art in the Sun Along Old 41 program, artist Jarrett Stinchcomb is creating this mural located at 27657 Old 41 Road. The mural will be a series of panels depicting the history of Bonita Springs and will be completed by the end of September.

We are seeking volunteers to serve on various advisory boards and committees that have been established to assist the City Council on number of civic issues.

VOLUNTEER TODAY!

ARE YOU WILLING TO SERVE?

If you are interested in serving on a committee, please submit your application to the City Clerk. For more information, please call (239)949-6262

City staff took first place on Saturday, June 3rd in packing the most meals for kids at the "Meals for Hope" event! Management at the event indicated that they expected each packing group to pack about 4800 meals. The staff team was so efficient that they packed 8,600 meals! Thanks to all who helped out! The real winners are the kids!

Project Update

The Bonita Springs Downtown Improvements Project is nearly complete! The final layer of asphalt at the Old 41 Road/Terry Street roundabout was done the week of August 28th. The contractor is working on final elements including “punch list” items. The final construction task is the installation of electric lines into the underground conduit that was installed during the construction of the project.

Florida Power and Light (FP&L) will pull the wire and connect the underground electric to all the buildings along the corridor. Once all buildings have been connected and the power is “live”, FP&L will remove all the power poles in the Old 41 Road corridor. It has not been verified but it is likely that many of FP&L’s contractors responded to Hurricane Harvey. The work for the underground electric conversion may not begin for some time and their final work efforts may take several months.

Frank, the school crossing guard at the Old 41 Road/Terry Street roundabout, has been the guard at the intersection for three years. In a recent conversation with Frank he stated that the roundabout “is so much safer for the children than the signalized intersection and the kids can cross in much less time. At the former signalized intersection, drivers would ignore the pedestrian crossing light and speed around the corner to go north at 30 mph. Now with the new flashing pedestrian signals, drivers have slowed down and pay attention when I am crossing the children across the street.”

Driving a roundabout takes some getting used to but Bonita drivers are now maneuvering easily through the roundabout. No major incidents have been reported. When our winter residents return, there will be another learning curve so everyone should be patient as drivers learn to drive the roundabout.

If you have any questions or concerns during construction, please contact the project public information consultant

Kris Cella, Cella Molnar & Associates, Inc.

1631 Hendry Street, Fort Myers, FL 33901
