Public Workshop

Skatepark and Pump Track Design

Wednesday September 25, 2019

5:30 – 7:30 pm

City Hall

**9101 Bonita Beach Rd.
Bonita Springs, FL 34135**

The City of Bonita Springs has contracted with Stantec Consulting Services, Inc. to create a design and plans for construction of a new Bonita Springs Skate Park and Pump Track.

Public input is important to this process.

This will be the second of 2 public workshops for public input on design of the skate park and pump track.

The goal of this workshop is to receive public input on the types of design for the skate park and pump track for all users of the community.
