1 SECTION ONE: CODE AMENDMENT

2
3 The City Council hereby amends the Bonita Springs City Code; Part III, Land
4 Development Code, Chapter 4, Zoning, Article VI Supplemental District Regulations,
5 Division 37, Subordinate and Temporary Uses, Subdivision II, Temporary Uses, as
6 follows with underlined portions representing additions and ~~strikethroughs~~ representing
7 deletions:

8
9 Sec. 4-2124. ~~–Generally.~~ Temporary uses.

10
11 (a) ~~*Purpose.* The purpose of this subdivision is to specify regulations applicable to~~
12 ~~certain temporary uses which, because of their impact on surrounding land uses,~~
13 ~~require a temporary use permit.~~ *General.* Certain uses are temporary in character.
14 They vary in type and degree, as well as the length of time involved. The purpose of
15 this section is to specify regulations applicable to certain temporary uses which,
16 because of their impact on public infrastructure, services, and surrounding land
17 uses, require a temporary use permit. Unless otherwise specified in these zoning
18 regulations, the following regulations shall govern temporary uses. No temporary
19 use identified herein shall be exempt from the permit requirement except in
20 accordance with this section.

21 (1) Unless approved by the community development director, a temporary use
22 cannot occupy on-site parking required by these land development regulations
23 to accommodate the ordinary parking requirements of the existing structures
24 and uses on the property. Only surplus or otherwise unused parking may be
25 occupied for the temporary use and such use must itself have sufficient parking
26 for the anticipated traffic it generates.

27 (2) For the purposes of this section the following terms shall have the associated
28 meanings:

29 *Footprint* shall mean the area impacted by the temporary use as measured from
30 the outside line of all the area devoted to the use, or the drip line of a tent or
31 cover under which the use is conducted, whichever is greater.

32 *Sale(s)* shall be considered to include any form of commercial transaction,
33 including fund raising activities by charitable and nonprofit organizations or
34 school groups.

35 (3) Temporary use permits shall only be issued within the zoning districts for which
36 the use is allowed by right or for those uses which have been permitted by
37 special exception. For example, temporary use permits for commercial, sales,
38 or services uses shall not be issued in residential districts. Notwithstanding the
39 forgoing, commercial temporary uses are prohibited on Little Hickory Island due
40 to the predominant residential character, existing lot and transportation
41 constraints.

42 (4) Temporary use permits are restricted to those activities and locations listed on
43 the application and all temporary uses shall be confined to the dates and times

1 specified in the permit. A separate temporary use permit is required for each
2 temporary use. Hours of operation of temporary uses subject to this section
3 shall be limited to 8:00 a.m. to 9:00 p.m., Sunday through Thursday, and 8:00
4 a.m. to 11:00 p.m. on Friday and Saturday unless more restrictive hours are
5 appropriate as determined by the community development director based on
6 compatibility with adjacent uses.

7 (5) No permanent or temporary lighting may be installed without an electrical permit
8 and inspection. Temporary lighting used to illuminate the outdoor event after
9 dusk shall be designed and arranged to reflect away from adjacent properties.

10 (6) Any temporary structures or exhibits to be constructed must be permitted in
11 conjunction with the temporary use permit and subject to all other permit and
12 inspection requirements of applicable city codes and state law.

13 (7) No activity, temporary tent, mechanical device, temporary sanitary facility, or
14 animal associated with any outdoor temporary use shall be closer than one
15 hundred (100) feet from any residentially zoned property.

16 (8) One (1) temporary sign advertising the event may be erected on the property in
17 compliance with Chapter 6 of the Bonita Springs Land Development Code.

18 (9) Traffic control may be required by the City of Bonita Springs Public Works, Lee
19 County DOT or law enforcement and must be arranged and paid for by the
20 applicant.

21 (10) The applicant may be required to obtain approval from the Bonita Springs
22 Fire and Rescue District and/or Lee County Emergency Medical Services
23 (Fire/EMS) and employ, at the applicant's cost, any mitigation measures
24 required.

25 (11) Before any temporary use permit is issued for motor vehicle or
26 recreational vehicle sales, the applicant must furnish the city with a copy of a
27 current motor vehicle dealer or recreational dealer's license as required by F.S.
28 ch. 320.

29 (12) Any Type 1 or Type 2 temporary use that will, in the determination of the
30 community development director, require more parking spaces than allotted on
31 the subject property, will be required to obtain a special exception.

32 (13) The site of the temporary use must be cleared of all debris at the end of the
33 use, and all temporary structures must be removed no later than forty-eight (48)
34 hours after the termination of the use. A signed contract with the county's
35 garbage collection franchisee, or a notarized letter that the property
36 owner/applicant is responsible for the clean-up of the site, may be required as
37 part of the application for the temporary use permit.

38 (14) Issuance of a temporary use permit shall not dismiss any requirements to
39 obtain other required permits including, but not limited to, special event permits
40 and temporary fireworks sales.

41 ~~(b) *Permit required.* No temporary use shall be established until a temporary use~~
42 ~~permit has been obtained from the department. A special event permit or a mobile~~

1 food vendor permit may also be required in addition to the temporary use permit.
2 Applicability. Any person or entity that desires to conduct any temporary use
3 described in this section or determined by the community development director to
4 be similar in nature to those described herein, unless specifically exempted herein,
5 shall be required to submit an application for a permit, and obtain the permit before
6 conducting the use. A permit issued to a corporation, organization, or entity shall
7 suffice for the persons engaging in the use on the site on behalf of the corporation,
8 organization, or entity. The owner(s) of the property upon which the temporary use
9 is to be conducted shall be bound by the terms of the permit, and shall signify
10 consent to the permit by signing the permit application before it is issued.

11 (1) Examples of temporary uses regulated by this section may include, but are not
12 limited to, the following:
