BACKGROUND: Covid-19 poses three risks: 1. A medical risk that is increasing for the 40% of Bonita Spring's residents over the age of 65 given the recent surge in cases in the last two weeks in Lee County and Bonita Springs. 2. That surge is impacting the confidence of the above age group to leave home and support local businesses. 3. Local businesses in Bonita Springs were weakened by the first shut down. Many are hanging on by their fingernails. If confidence continues to be eroded, they may be put out of business. To meet these issues, Hillsborough County has adopted an executive order mandating the wearing of masks in businesses engaging with the public. I ask that the Council consider a similar order. The Hillsborough County order requires facial coverings by employees and patrons in any business where social distancing cannot be maintained. This order exempts churches. The order also exempts children under the age of two and anyone with an underlying health condition that prohibits them from wearing a facial covering. It is only required indoors. The compliance burden should be on the patron. Business operators must post signs and make announcements about customers' requirements to wear masks where social distancing is not possible. However, as long as the businesses do that, they will not be penalized if a customer does not cooperate. Businesses have the right to ask a customer to leave. NOW THEREFORE, THE EMERGENCY POLICY GROUP OF HILLSBOROUGH COUNTY, FLORIDA, IN A MEETING ASSEMBLED THIS 6th DAY OF JULY 2020, ISSUES THIS EXECUTIVE ORDER RESOLVING THAT:

1. “Business” as used herein shall mean any commercial or for-profit entity (regardless of corporate structure or formation) that provides goods or services directly to the public. “Business” as used herein does not include religious organizations or private clubs nor does it include any location under the control of Hillsborough County Public Schools, which shall establish its own policy for all its locations within the district. “Business” as used herein also includes nonprofit and not-for-profit entities which offer goods or services for sale to the general public in indoor locations.
